Johnston's COVID-19 Update: CHANGE TO WHOLESALE PICK UP PROCEDURES

In accordance with the latest Erie Co. Health Department guidelines effective May 8, all customers and staff must be wearing masks in the office (and on the nursery when social distancing is not possible). If you are unable to wear a mask or maintain social distancing, please remain in your vehicle and honk or call from the wholesale parking lot on your scheduled pick up date; staff will bring loading paperwork to your vehicle.

This Availability List includes both in-ground and above-ground items. Please ask our Sales Team what is above ground and what will need to be dug. Our spring digging of deciduous trees and most evergreens (except arborvitae and boxwood) is complete for the season; all deciduous trees on the availability are above-ground.

As always, if you do not see an item you are looking for, please call our wholesale office at (814) 897-1900 or you can fax your orders to (814) 897-9800.

We can be reached via email at sales@johnstonplants.com.

SPECIAL NOTATIONS KEY:

GP: Stands for Grower Pick™. Johnston's Production Manager designates certain items as Grower Picks, indicated by the GP symbol in this availability list and in our Catalog. Grower Picks are items that we think are extra sweet! The item will make full to above grade, is in good supply at the nursery, and is a reliable addition to your landscapes and garden centers. Your feedback on our Grower Picks is always welcomed!

RS: Johnston's strives to supply a full range of landscape plants, and we love to offer new and exciting varieties for you. Item Sizes that end in RS indicate "**ReSale**" -- or an item that was bought in and not grown at Johnston's. In general, RS items are not available for 10+ quantity discount pricing due to their higher cost to the nursery. Additionally, availability of RS items may change without notice.

#: When the "#" appears after an item size on a B&B 3+" size, it indicates that the item comes with an extra large root ball in a 34" basket, weighing between 1000 - 1500 lbs.

Johnston's reserves the right to pro-rate item quantities based on your total order.

*Availability subject to prior sale and/or conditions beyond our control.

Please call our office concerning availability of specific items.

Johnston's is not responsible for wrapping or tarping orders so please bring tarps or other suitable coverings. Nursery stock can burn or dry out very quickly if not properly covered. We try to stock high quality bungee cords, tarps, and gloves for your convenience and purchase. Please notify us at time of order if you are in need of these items.
