

# SIMPSON NURSERIES

## Tennessee Nursery Profile

### Why Simpson Nurseries?

With two production locations in Florida and Tennessee, **Simpson Nurseries** is a premier grower with a rich legacy and selection in trees and shrubs. They produce millions of high-quality plants, supplying landscapers, re-wholesalers, and retail garden centers.

Legacy & Expertise – Florida’s oldest nursery, growing top-tier nursery stock for generations.

Massive Selection – 2 million+ deciduous trees and shrubs across 1,500 acres in Florida & Tennessee.

Specialized Growing Locations – Tailored growing conditions for the highest quality plants, with a vast listing at both nurseries.
