## Bewitched Series

**Green Fuse Botanicals** Rex Begonias break the mold for producing excellent retail ready product. Rex Begonias in the past have been difficult to finish - often inconsistent in timing and appearance. Green Fuse's 3 new series of Rex Begonias will make gorgeous, valuable, retail ready plants when you need them!

### 3 Series to Choose From:

#### **Shadow King**

- Ideal for 4", 8" and Hanging Baskets
- 10 varieties
- Most programmable series - all varieties finish at the same time
- Compact, consistent habits, perfect for mixed containers

#### **Dibs**

- Unusual, bold and dramatic
- 5 varieties
- Ideal for 6" & 8" pots
- Striking when grown alone in large pots or used in large combinations

#### **Bewitched**

- Newest series with distinct, cut-leaves and striking colors
- 3 varieties
- Striking when grown alone in large pots or used in large combinations

**Available as rooted liners and URC's**  
 Contact your salesperson or the EHR office for details
