

Leprechaun

ARBORVITAE

**4" Liners
Available from
Decker's
Nursery**

Why Thuja Leprechaun?

Enjoy the upright habit and deep green foliage attributes of fan-favorite 'Green Giant' with a more compact, slow growing habit - perfect for tight spaces in the landscape!

No pruning necessary!

Soft, green texture!

Very cold hardy!

Ideal for small spaces!

**Picture tag for
each plant!**
Additional Cost

**Great Alternative
to Green Giant!**
